Border Patrol Foundation

The mission of the Border Patrol Foundation (BPF) is to honor the memory of fallen U.S. Border Patrol agents and provide support and resources to the families. BPF provides support to those employed by the Border Patrol for on-and off-duty deaths, injuries, illnesses, family medical emergencies, special circumstances and student scholarships.

The funds raised at this annual event go to building our family services programs and help provide a financial bridge when families are dealing with a loss or a tragic event.

Nationwide, we have donated over \$1 million dollars in support to the families and over \$390,000 in scholarships. We could not do this without your help and support.

We thank you for all of your support and hope to see you at this year's event.
